CONCORD, N. H.:
PARSONS B. COGSWELL, STATE PRINTER.
1886.

JOINT RESOLUTION relating to the preservation and publication of portions of the early state and provincial records and other state papers of New Hampshire.

Resolved by the Senate and House of Representatives in General Court convened:

That his excellency the governor be hereby authorized and empowered, with the advice and consent of the council, to employ some suitable person—and fix his compensation, to be paid out of any money in the treasury not otherwise appropriated— to collect, arrange, transcribe, and superintend the publication of such portions of the early state and provincial records and other state papers of New Hampshire as the governor may deem proper; and that eight hundred copies of each volume of the same be printed by the state printer, and distributed as follows: namely, one copy to each city and town in the state, one copy to such of the public libraries in the state as the governor may designate, fifty copies to the New Hampshire Historical Society, and the remainder placed in the custody of the state librarian, who is hereby authorized to exchange the same for similar publications by other states.

Approved August 4, 1881.

In accordance with the foregoing resolution, the governor, with advice of the council, on the 12th day of October, 1881, appointed and commissioned ISAAC W. HAMMOND as "Editor and Compiler of State Papers."

EDITOR'S PREFACE.

This volume contains the rolls of the soldiers who served in the Revolutionary war from this state from May, 1777, to January, 1780, so far as the same are in the archives of the state, or could be obtained elsewhere by the editor.

The rolls of the state of Massachusetts for 1775 have been carefully examined by the editor, and a large number of names of New Hampshire men who served in the regiments of that state were abstracted, and are published in an appendix to this volume. The list contains those who are credited to this state on said rolls, and no others. By the information thus obtained, a considerable addition may be made to the number of New Hampshire men engaged in the battle of Bunker Hill; and the unprejudiced historian of the future, by an examination of this and the preceding volume, *may* award to this state the credit eminently its due for the services rendered by her sons in that battle.

The increasing demand for the preceding volume, and for access to advance sheets of this volume, is satisfactory evidence of the wisdom of the governor and council in authorizing their publication, as provided by the resolution of the legislature.

A complete index has been compiled, but, being so extensive, it may contain some errors, notwithstanding the large amount of labor involved and the careful attention given to the compilation and printing of the same.

The editor desires to express his thanks to His Excellency Moody Currier and the honorable council, and to many others who have shown

a deep interest in the work, and spoken words of counsel and encouragement.

The publication of the rolls will be continued, and probably completed, in the next volume.

HAMMOND.

REVOLUTIONARY WAR ROLLS, VOL. II.

INTRODUCTION BY THE EDITOR.

On the evening of the 2d day of May, 1777, dispatches were received by the committee of safety of this state, informing them that the garrison at Ticonderoga was in danger of being taken by the enemy, and urging that the militia be sent forward at once to reënforce that important post. The matter was considered by the committee, and on the day following, the chairman, Hon. Josiah Bartlett, dispatched messages to Colonels Samuel Ashley of Winchester, Benjamin Bellows of Walpole, and Jonathan Chase of Cornish, entreating them "by all that is sacred to raise as many of your Militia as possible and march them to Ticonderoga." (See Vol. VIII, p. 551.) In accordance with that request Colonel Ashley marched with one hundred and nine men, Colonel Bellows with one hundred and twelve, Colonel Chase with one hundred and fifty-nine, and Captain Josiah Brown with fifty-four men, from Colonel Enoch Hale's regiment. The following are the pay-rolls of the several detachments.

[Soon after the discharge of the foregoing regiments of militia, dispatches came stating that General Burgoyne was within a few miles of Ticonderoga with a large force, and that the American troops stationed there were not sufficient to hold the fortress. The alarm was general, as it was expected that if the enemy captured Ticonderoga he would invade the western part of this state and the New Hampshire grants. The militia was called upon to march at once, and responded with alacrity, as may be seen by the following rolls. Ticonderoga was, however, evacuated before they had time to get there, and they returned. The amount of service done is shown by the rolls.—Ed.]

To the Honorable General Court Convened at Exeter

Your humble Petitioner

Sheweth

That whereas it was the Conduct of the former house in their last Session to allow for Baggage horses that forwarded the Militia upon the Alarm at the Evacuation of Ticonderoga & your Petitioner being unacquainted with that practice Omitted making up any baggage or provision Horses in the pay Roll by him made out to & allowed by the former House. The Prayer of your humble Petitioner is that your Honors would take into Consideration that Omission & Grant the usual sum as made up in the pay Roll that Accompanies this Petition—both as to baggage & provision Horses the Occasion of the latter being Employ'd your Petitioner begs leave to set forth that there was not provisions to be drawn out of the public Store at Charlestown or N° 4 & it was thought necessary that men & provisions on Horseback should quickly follow that part of the Militia Company immediately under my command to enable the men to hold on their March & therefore this Allowance is ask'd for of your honors by your humble Petitioner as he ever prays

BENNINGTON TROOPS, 1777.

INTRODUCTION BY THE EDITOR.

In consequence of the evacuation of Ticonderoga by the Americans, and the southerly movement of the British force under Burgoyne threatening the subjugation of New England, the committee of safety of this state decided, on the 14th day of July, to call the legislature together for consultation, and accordingly sent notices to the members requesting them to meet on the 17th of that month. In answer to the summons the council and house of representatives met on the day appointed, and immediately resolved themselves into a committee of the whole to join the committee of safety for a conference.

The state was at that time destitute of money and means, and had done all that the citizens generally supposed it could do in the way of furnishing troops; but the alternative was before them, of assisting to check the advance of Burgoyne's army by sending a force to Vermont, or of having the battle-field of the future transferred to their own territory.

On the second day of this special session, the committee of the whole recommended that the militia of the state be divided into two brigades, the first to comprise the regiments in the eastern portion of the state, and be under the command of Brigadier-General William Whipple, and the second to comprise those in the western portion of the state, and be under the command of Brigadier-General John Stark. The committee also recommended that four companies of rangers be raised in the second brigade to scout on the frontiers, under orders of General Stark. These recommendations were adopted by the legislature the same day. Letters from Ira Allen, secretary of the council of safety of Vermont, earnestly entreating that troops be sent to their assistance, were then read in committee of the whole, of which Hon. Meshech Weare was chairman. The matter of furnishing men was fully discussed, and it was generally conceded that the exigency of the occasion required the raising and forwarding of a portion of the militia at once. The main question was as to obtaining money to pay and equip them. The treasury of the state was empty, and no way of replenishing it presented itself, until the patriotic John Langdon arose, and said,—"I have one thousand dollars[1] in hard money. I will pledge my plate for three thousand more. I have seventy hogsheads of Tobago rum, which I will sell for the most it will bring. They are at the service of the state. If we succeed in defending our firesides and our homes, I may be remunerated. If we do not, then the property will be of no value to me. Our friend Stark, who so nobly maintained the honor of our state at Bunker Hill, may safely be entrusted with the honor of the

[1] Some historians say three thousand.

enterprise, and we will check the progress of Burgoyne." This patriotic offer was received with enthusiasm, and the legislature at once voted that one fourth of Stark's brigade, and one fourth of Thornton's, Badger's, and Webster's regiments, of General Whipple's brigade, be drafted and marched immediately for the defence of this and the neighboring states. This force was to be under the command of General Stark, who accepted the commission with the understanding that he was to exercise his own judgment in the management of his troops, and be accountable to and take orders from the authorities of New Hampshire, and no other.

A draft was unnecessary: men enlisted with alacrity, and were forwarded to Charlestown by detachments, that place having been designated for rendezvous. As soon as 500 men had arrived in Charlestown, the impetuous Stark moved on with them to Manchester, Vt., leaving orders for others to follow. They reached that place August 7, were reënforced by some of the "Green Mountain Boys," and received information of the enemy's intention to capture the stores at Bennington. He pressed forward, and reached that town on the 9th, accompanied by Col. Seth Warner.

The battle occurred on the 16th, and the result, as is well known, cheered and encouraged the Americans, disheartened the enemy, and led to the surrender of Burgoyne's army at Saratoga on the 17th of October following.

The brigade under Stark was organized into three regiments, commanded respectively by Colonels Moses Nichols of Amherst, Thomas Stickney of Concord, and David Hobart of Plymouth. The rolls are as follows:

John Lane Lieut

COL. JOSEPH SENTER'S REGIMENT.

[On the twenty-first day of June, 1777, the legislature of this state received a letter from Gov. Nicholas Cooke, of Rhode Island, stating that the enemy, numbering some three thousand, were threatening an attack upon that state, and asking immediate assistance. The matter was taken up by the legislature at once, and a committee of both houses appointed, which reported as follows: "That three hundred men be immediately raised and sent under the command of a Field Officer to Providence, and that the President advise Gov^{r} Cook thereof by the Posts return." This report was adopted, and a letter sent the same day to Governor Cooke, assuring him that three hundred men would be forwarded to their assistance as soon as they could be raised. On the twenty-sixth of the same month Lieut. Col. Joseph Senter was appointed to take the command, and orders were issued to enlist four companies of seventy-two men each, the same to be a part of a regiment of seven hundred and fifty men "lately voted to be raised." The following unpublished letter from Col. Senter will explain some of the movements of the troops, etc. Following that are the rolls of the companies —ED.]

[State Papers, Revolution, vol. 8, p. 275.]

Warwick 18th Nov^{r} 1777

Gentlemen I must beg pardon for not writing sooner. Shall now give you a short Narrative of our proceedings—I suppose you have had Various Accounts of our intended expedition to Rhodeisland. I arrived at Providence the 12th of Sept^{r} waited on Gen^{l} Spencer who gave me orders on the 14th to march to Warwick and serve under Col^{o} Cornell who immediately put us on duty building a Fort and guarding the Shore—on the 21st Col^{o} Cornell informed me there was a Plan laid for an expedition against our Enemies at Newport he informed me that he was ordered to go to Narraganset and collect all the Boats on the Western Shore & send them to Warwick and also send forward all the Troops raising for the expedition. He ordered me to take the Command of the Post and collect all the Boats on the Shore from Greenwich to Patuxet and repair them and as soon as the Militia Regt^{s} come in to supply them with Cart-

ridges & Flints and send them over Providence River in the Night, that they might not be discovered by the enemy. I imediately engaged in the business exerted myself as far as I was capable. On the 8th of Oct^{r} finished the Business I was intrusted with crossed Providence River to Warren—10th Marched to Swanzey 12th to Tiverton 14th to Little Compton—The Troops being badly armed but few Cartridges in Store the Gen^{l} was oblig'd to send to Boston Taunton & Bedford for Arms and Flints. all which arrived the 16th of Oct^{r} at which Time by Gen^{l} Spencers Order all the Brigades were to be under Arms for Imbarkation that Night the Night favourable but two Brigades not supplied with Cartridges the Boats not alotted to each Brigade one Brigade not formed neither could the Brigadier find them that Night—On Sunday following the Troops were called out again and paraded on the Shore below Fogland Point. Generals Douglass Cornell and Sherburn had their Men and Boats ready for imbarkation the boats of two Brigades coming round from Howlands Ferry were discovered by the Enemy as many of them did not set out till the Moon was rising. they were fired upon by the Enemy one Man killed & one wounded, the others frighted and left their Boats. The Boats not coming. the Wind fresh at S. West, a Ship but little below us, 'twas tho't best for the Troops to return to their Barracks. The Enemy then got intelligence of our design and fortified at our intended landing place. upon full consideration of the situation of the Enemies Batteries it was tho't best to remove the Boats by Land to Sapowet which was about one Mile up the River which we set about and accomplished in good season (except two Brigades who were again in the Rear) the Wind at N East the Weather wet and dull, embarkation laid aside for that night. the General again gave orders to march to Sapowet. the Night was rainy our Guns could not be kept dry, the Gen^{l} ordered the Troops again to their Barracks. Great numbers deserted, others mutinous, the Militia but a few days to stay. the General was obliged to dismiss the Army and lay aside the intended expedition—

Our Men are very healthy, but a great cry for Money, was obliged to Borrow to keep the Reg^{t} from suffering. the Paymaster will pay us next Month for the time We have been here, the rest must be paid by the State, which I hope will be ready when we arrive home—

From your Humble Servt

Joseph Senter

SARATOGA TROOPS, 1777.

[After the battle of Bennington Gen. Stark moved forward with his force of volunteers, and joined Gen. Gates on the 18th of September. The time for which the men had enlisted was about expiring, and they, believing that for that reason and in consideration of the service they had performed they were entitled to be discharged to attend to the harvesting of their crops, declined to remain in the army, although strongly urged by Gen. Gates to do so. Their discharge left Stark without a command, and he returned to New Hampshire, where he was received with enthusiastic demonstrations of approval. Meanwhile the authorities of this state, anticipating the discharge of Stark's brigade, had taken measures to raise another force to assist in conquering the army of Burgoyne. Orders were issued, on the 5th and 6th of September, to the colonels of the several militia regiments, to draft one sixth of their men, and forward them to Bennington. The men raised in the regiments of Colonels Wentworth, Moulton, and Bartlett were placed under the command of Lieut. Col. Abraham Drake, of North Hampton, and were mustered on the 8th of September, as were also the men under the command of Col. Stephen Evans, of Dover. Others were mustered later.

On the 17th Gen. Gates wrote from Bemis's Heights, requesting that all reinforcements for his army be forwarded "without one moment's delay." Accordingly, on the 20th, orders were issued to Col. Evans to march his men to Bennington, and place them under the command of Gen. Stark, if he (Stark) was to continue in the service; otherwise under the command of the officer commanding the northern department of the continental army. On the same day a letter was dispatched to Gen. Stark, urging him to continue in the service, and take command of the troops then being forwarded. On the 27th a large number of volunteers were mustered into service. Gen. William Whipple was appointed to take command of all recruits for the northern department, and received orders from the committee of safety, on the 2d of October, to collect all the volunteers and "put yourself and troops under the commander in chief of the Continental army in that [the northern] department, to act as occasion may require." The rolls of those troops who took part in the battle of October 7th, which caused the surrender of Burgoyne on the 17th, will follow this article.

Gen. Poor's brigade, comprising the three New Hampshire continental regiments, commanded by Colonels Cilley, Scammell, and Reid,[1] were prominent in the battles of the 19th of September and the 7th of October, and their bravery is mentioned in terms of the highest praise by eminent historians. They were paid by continental paymasters, consequently the rolls are not in the possession of the state.—ED.]

[1] Col. Nathan Hale, of this regiment, was at that time a prisoner in the hands of the enemy.

[The foregoing was an independent company, composed of men of rank and position, who volunteered to go as privates under the command of Hon. John Langdon, and assist personally in completing the work of capturing Burgoyne's army, which had been so effectually commenced by the troops under Stark at Bennington. Col. Langdon furnished the money to equip Stark's New Hampshire men, and had patriotism enough left to take the field in person, and labor in the cause with enthusiastic ability until the close of the war.—Ed.]

[In addition to the foregoing volunteers, New Hampshire had in the several battles in the vicinity of Saratoga a brigade of regulars under the command of General Enoch Poor, consisting of three regiments commanded severally by Colonels Joseph Cilley of Nottingham, Alexander Scammell of Durham, and Lieut. Col. George Reid of Londonderry, the latter in command of the regiment of Colonel Nathan Hale of Rindge, who was at the time a prisoner in the hands of the enemy. Major Henry Dearborn, of Nottingham, was in command of a detachment of three hundred continental light infantry, which, with the riflemen under the command of Colonel Daniel Morgan of Virginia, met the first attack of the British troops under General Fraser on the 19th of September. In that battle, and the battle of October 7, the New Hampshire troops were conspicuous for their bravery and general good conduct, and sustained severe losses. "When Cilley first became engaged, so many of his men fell in twenty minutes that he could save himself only by falling back on reënforcements. With these the regiment went into the fight again with great spirit, and fought till night. Colonel Scammell fearlessly led his regiment where the fire was the hottest." (Bryant and Gay. Hist. of U. S.) Lieut. Colonel Andrew Colburn of Marlborough, and Lieut. Colonel Winborn Adams of Durham, were killed in the battle of September 19. No rolls of Poor's brigade are in the state archives, except the following copy of a pay-roll of a company in Scammell's regiment, made up to July, 1777. A list of the officers of the above mentioned regiments may be found in Vol. XIV, pp. 552–556.—Ed.]

[4–309] [*Fort Sullivan Soldiers, September 23, 1777.*]

State of New Hampshire— Rockingham ss. } To the hon^ble^ the Council & House of Representatives for said State now sitting at Portsmouth.

The Petition of us the Soldiers belonging to the Company commanded

by Cap[t] Eliphalet Daniel, stationed at Fort Sullivan within the State aforesaid. humbly sheweth. That your petitioners enlisted in said Company (at a time when every necessary of life was to be procured with ease, and at a moderate price) for the inconsiderable Wages of Forty one Shillings per month, and a small bounty. (two Dollars for blanket money.) That since, almost all the Articles of life have risen to an amazing pitch—some to treble their former price—others to tenfold—& still higher. add that the money is become of little Estimation, and for many of its most valuable purposes utterly useless. For these reasons, and many others, which will readily occur to your Honors—we humbly beg you would take our case into your imediate consideration and order such an Augmentation to our pay as to your honor's wisdom & bounty shall seem adequate to our services to the expences of living; & as a compensation for the extreme low, and insufficient pay we have hitherto rec[d]; as well as to encourage us to continue chearfully and of choice in this important service. And we will each as in duty bound, ever pray—

[5-7] [*Lt. Col. Hammond's Return.*]

Swanzey February 14th 1778

To Meshech Weare Esq.

These are to certify that the following Men belonging to, or procured by the Town of Swanzey have Inlisted into the Continental Army—

Viz: Joseph Slack in Col. Hales Regiment
Gilbard Castle in Col. Selleys Regiment
William King, Kimber Harvey } Col. Scamels Regiment
Jeremiah Setchel, Davis Hefferen } In the Ranging Service for three years
Benjamin Parker killd in the Battle at Still Water
Daniel Day Inlisted for eight Months, and is missing
Silvanus Hastings, Joseph Tucker, Jedediah Rice, Silas Symonds, Joel Andrews, John Cross, Eleazer Howard, Levi Symonds } Lately Inlisted and Mustered

Jonathan Woodcock, Inlisted

Joseph Hammond Lieut Colo

[* In Vol. XIII this name is erroneously given as Stuart.—Ed.]

P S. Kimber Harvey an Inhabitant of the Town of Swanzey was hired by Said Town to Serve in the Continental Army for the Term of eight Months, for which he Receved of the Town, thirteen Pounds, and while in Said Service a Considerable Time before the Expiration of Said eight Months, was hired by one Curtis of Winchester, then in the Army, to Inlist in the three Years Service, and will probably be Returned by Winchester as one of their Proportion, and as the Field Officers are to adjust Disputes Respecting any Double Return, it is my Opinion that said Kimber ought to be Reckoned to Swanzey as one of their Proportion, in as much as he was at first hired by them into the Service; and the Money given him to hire him to Inlist into the three Years Service, has, (in behalf of the Town of Swanzey) been tendered, together with the Interest. to the Person who hired him, on which Condition he promised, when he agreed with said Kimber to Inlist, that he Should be Reckoned to Swanzey as one of their Proportion; as Lieu^{t} Belding of the Company in which he Inlisted Informs me And I doubt not but Col. Ashley and Major Ellis will be of the Same Opinion, and the Said Kimber be Reckoned to Swanzey as one of their Proportion.

LIEUT. COL. STEPHEN PEABODY'S REGIMENT, RHODE ISLAND, 1778.

[On the seventeenth day of December, 1777, Governor Nicholas Cooke, of Rhode Island, wrote to the authorities of this state, asking that more troops be sent to that state to take the place of those who had been serving under Col. Senter, and whose term of service was about to expire. He stated that they would be in a deplorable condition without continued military aid from New Hampshire.

In the H. of Rep., January 1, 1778, orders were given to enlist four companies for that service ; and four men were appointed to command the companies.

In February, Noah Emery, Jr., was appointed to muster and pay the men one month's advance wages.

February 13, the H. of Rep. voted to "raise one hundred men in addition to the two hundred now raising for the immediate defence of Rhode Island." Enlistments not being sufficient, the colonels of militia were, on the twenty-ninth day of May, ordered to draft 300 men for that service. The journal of the committee of safety does not state at what time this force marched for Rhode Island, and the editor is unable to ascertain from other sources. The men were discharged December 30, 1778, and allowed one day's pay for every twenty miles of their journey home.—Ed.]

[In addition to the foregoing, a brigade of troops was sent to Rhode Island in August to operate in connection with a French fleet which was sent to assist in driving the enemy from that state. The brigade was commanded by Gen. William Whipple, formerly member of the continental congress, and one of the signers of the Declaration of Independence.

The general's staff was as follows:

William Whipple, Brigadier General.
Nathaniel Peabody, Adjutant General.
John Samuel Sherburne, Brigade Major.
Nathaniel Garfield, Brigade Quartermaster.

Major Sherburne lost one leg August 29, 1778.
Following are the rolls of the several regiments.—Ed.]

N. B. There Is a number of Men returned one man for two towns—viz John ham for Dover & Barrington he did belong to Dover at the time he listed Daniel ham returned for Dover & Rochester he belonged to Dover Thomas Hanscomb for Dover & Somersworth he belonged to Dover William Leaver he was returned for Dover & Somersworth he was a bound servant to Maj[r] Richerson when he listed in Dover

And Durham & barrington John Neal returned in both he most properly belonged to Durham I think

Rochester & Somersworth both returned Daniel Alley his family has lived in Rochester & properly belong there

And it is very likely there is Duble Returns for others that I am not so well acquainted with as I am withos I have Mentoned

The within acct of the Men raised in my Reg[t] Is the most coract that I can Send to the honourable Court at present. I should think the several Muster Masters acc[ts] would give the most light In this case for my Part I Did Not make any record at the time when the men enlisted Nor how long they listed for & I cant find that any others Did

Your most Obd[t] Hum[l] [remainder torn off]

We the subscribers do acknowledge to have received of Moses Kelley Muster Master of the men raised in his Regiment of Militia for completing the Continental Battalions,—and we also ar Raisd for the Defence of Rhode Island the several sums affixed to our Names as a Bounty, as by our Receipts herein

The Hon^ble^ Council, & House of Representatives for the State of New Hampshire in General Assembly Conven'd at Exeter—

The petition of the Matross Men Garrison'd at the Forts Washington, & Sullivan unto your Honours Humbly Shews

That your petitioners Enlisted themselves sometime since in the Service of said State at a rate they then thought might in some Measure support themselves & Familys, & had the necessarys of life continued at the same prices as when they Enlisted, they wou'd now have no Occasion to lay their Grievances before your Honours but every Article necessary for the support of Life, since the Time of Enlisting, has risen to such a Degree that your Petitioners cannot without the Utmost Horror & concern view the dismal prospects before them, which must enevitably be attended with the most melancholy Consequences unless spedily remidied by your Honours, your Petitioners Humbly prays that y^r^ Honours wou'd only allow them such Wages as will be adequate to the prices of necessarys when they Enlisted, & when your Honours considers the unhappy circumstances which our Distressed Familys are in, and that we are performing the duty of the whole Compliment of Men Voted by the Hon^ble^ Court though but half in Number, we Humbly hope that you will grant the prayer of this their petition Your Petitioners further prays that if your Honours cannot relieve them, they Humbly beg your Honours to allow them a Discharge whereby they may be enabled to save their Familys from inevitable destruction, your Petitioners wou'd further pray that your Honours wou'd order their back Sauce money to be setled, of which there is considerable due and your Honours must be sensible how much they stand in need of every little Assistance at these Distressing & to us alarming Times, your Petitioners beg your Honours to take this their petition into your wise Consideration, & Order such relief thereon as soon, and in such manner as your Honours shall find convenient, & Judge reasonable, and as in Duty bound your Petitioners will ever pray—

[DEPRECIATION ROLLS TO JANUARY 1, 1780.

The regular pay-rolls of the three New Hampshire continental regiments, as has been previously stated, are not in the possession of the state. The following rolls, which were compiled for the purpose of paying the men a sum of money equivalent to the depreciation of the currency in which their wages had from time to time been paid, probably contain the names of all the men belonging to those regiments prior to January 1, 1780, and are published in consequence of the absence of the regular pay-rolls.—ED.]

APPENDIX.

APPENDIX.

NEW HAMPSHIRE MEN IN THE SERVICE IN MASSACHUSETTS REGIMENTS.

The following list of names was carefully compiled from the original rolls in the state-house in Boston by the editor, and contains those whose residences are given in the rolls and no others. By this list a large addition may be made to the number of New Hampshire men at the battle of Bunker Hill, as heretofore given. Colonel Paul Dudley Sargent's regiment was evidently engaged in the battle, as he reports several New Hampshire men killed. He was a resident of Amherst at the time, but subsequently removed to Maine, and there died, September, 1827, aged eighty-eight years.—ED.
